YOUR BEST CHOICE FOR LOCAL SAP® FIORI CONSULTING

We can help you  
make the  
**MOST**  
out of your  
SAP Fiori  
investment.

SAP® Fiori is the next stage of your ERP roadmap, but who is the best partner? Consider Solvera.

**Solvera is a leader in SAP in Western Canada, and is excited to combine this deep experience with the optimization opportunities that Fiori provides.**

Solvera is your best choice for Fiori solutions for three reasons:

### 1. Holistic Process

Solvera provides end-to-end solutions. We combine a holistic UX strategy with SAP Fiori skills and deep SAP functional knowledge on business processes.

### 2. Local Talent

We call Western Canada home, and our SAP consultants have spent over a decade working with the majority of local SAP clients.

### 3. Value

Solvera has a track record of delivering benefit to our clients, who agree that Solvera's people deliver tremendous value to their organizations.

Solvera's professionals are with you every step of the way, with their deep experience in both the functional and technical aspects of Fiori and being well versed in the latest product releases and technological advancements. Our team is experienced both in supporting standard Fiori app development as well as custom builds.

Whether your Fiori requirements are transactional or analytical, Solvera has the experience, the people and the tools to ensure that you make the most of your SAP Fiori investment.
